Working Papers

“The Impact of NWSL Entry on Affiliate MLS Clubs”

The study investigates the impacts of Major League Soccer (MLS) clubs’ affiliations with teams in the National Women’s Soccer League (NWSL)

“Swinging at Change: MLB Competitive Response to MLS Expansion”

The paper examines how Major League Baseball (MLB) teams respond strategically to the entry of Major League Soccer (MLS) franchises into shared metropolitan markets

“Charter Flights, Home-Court Advantage, and Betting Market Efficiency in the WNBA”

The study assesses the causal impact of the WNBA’s league-wide charter-flight policy on home-court advantage and investigates whether betting markets effectively reflect changes in competitive balance following the reform.
